

TelaDoc Summary Sheet

🌀 Introducing the Future of Affordable Medical Benefits 🌀

TelaDoc SERVICE

TelaDoc a network of licensed **primary care physicians** who diagnose routine, non-emergency, medical problems via the telephone. **TelaDoc** consulting physicians recommend treatment and prescribe medication (when appropriate) over the telephone 24 hours a day, 365 days a year. You can access this service wherever you happen to be: your home, office, hotel room, or vacation campsite. Simply logon to your **TelaDoc** account or make a phone call to our 800 number and, **in most cases, speak to a doctor in less than an hour.**

TelaDoc consulting physicians treat illnesses that arise quickly and tend to run a brief course, typically 5 -10 days. Consulting physicians address acute, episodic, self-limited and minor illnesses as opposed to chronic (always present) conditions such as hypertension, epilepsy, or diabetes. Remember **TelaDoc** for:

- Respiratory Infections
- Urinary Tract Infections
- Bronchitis
- Pharyngitis
- Gastroenteritis
- Sinusitis
- Allergies
- Prescription Refill (short term only)

TelaDoc BENEFITS

TelaDoc is changing the way people access medical services by using modern technology to match the needs of today's fast paced workforce. Below are just a few ways you and your dependants (age 12 years and older) benefit from becoming **TelaDoc** members.

- On-Demand access to health care 24/7 – members schedule consults online or by calling 800 TELADOC
- Consult with physicians who diagnose medical problems and prescribe medication when appropriate
- Access to a physician within three hours
- No more waiting until next week to receive medical attention
- No outrageous fees or unexpected charges
- Most medical issues can be resolved from any remote location
- Retrieve prescription(s) from local pharmacy
- Ability to maintain personal medical history and account profile using HIPAA compliant secure servers
- CMS 1500 Form for filing or reimbursement (when applicable)
- Reduce the number of hours you spend away from work
- Easy method of payment

WHEN TO USE TelaDoc

Call **TelaDoc** whenever you need non-emergency medical assistance. Take advantage of the convenience of accessing a physician 24/7, 365 days a year. Call **TelaDoc** when:

- You cannot reach your primary care physician. (TelaDoc physicians do not replace your primary care physician)
- Your primary care physician's office is closed
- You are on vacation or a business trip
- You need your recurring prescription filled and don't have time to go to your doctor's office (short term refills only)
- You need medical attention that might be resolved without seeing your primary care physician
- You have medical questions, medical issues, or concerns and would like to discuss these with a physician
- You need a second opinion

TelaDoc GUARANTEE:

- **TelaDoc** guarantees that a physician will contact you **within 3 hours** or your consultation is **FREE!**

Note: **TelaDoc** may not be available in all states. See www.teladoc.com for details. **TelaDoc** is not an insurance product or a prescription fulfillment warehouse. **TelaDoc** consulting physicians do not prescribe DEA controlled substances or lifestyle drugs. **TelaDoc** consulting physicians reserve the right to cancel your membership at any time.
